

15 February 1967

NOTE FOR THE RECORD

25X1A

[REDACTED] called today to ask if DDS&T had made any special assessment of the Chinese upheaval, particularly as it might affect S&T activities in China. I told Burt that I would check into that matter and call him. I also suggested that he drop by on Thursday morning, 23 February, when we might have our monthly round up of the [REDACTED]
